TRIP IDEAS

And The Destination of the Year Is...

In 2015, no place has captivated travelers quite like Cuba. As diplomatic bridges are slowly rebuilt, Americans are getting a long-forgotten taste of what the Caribbean island has to offer: panoramic waterfronts, ceaseless salsa music, and kodachrome neighborhoods thrumming with energy and glittering with mosaics and murals.

A New Airplane Design Lets Flyers Take in 360-Degree Views via 'SkyDeck'

Most of the time, a tiny airplane window doesn't do the in-flight views justice. A new design from Windspeed Technologies—a business focused on aerospace engineering—comes with a “SkyDeck” located right in the center of the airplane.

Are You An Annoying Traveler?

We all know the type (and maybe you're one of them. Hell, we've been one of them too). The cringe-inducing, intolerable, mind-bendingly infuriating traveler. He pops up on the plane, at the pool, on your Instagram feed, at treasured landmarks with his selfie stick — even inside your own group of friends. Beware of these 10 characters.

11 of the Best Airport Bars, According to Well-Traveled Cocktail Pros

Although American airport bars tend to be grim-looking lounges with bright TVs packed with tired travelers, the world has some wonderful bars, if you know where to look.
